

# Temple Emanuel Legacy Society

## Inaugural Legacy Members

We are grateful to acknowledge the Temple Emanuel congregants who have graciously established legacy gifts. They include Self-Identified Legacy Members – those who have shared their intention to make a planned gift through their will or estate plans; and Legacy Members of Blessed Memory – whose planned gifts and endowments are now serving Temple Emanuel in perpetuity. The examples of these congregants serve as inspiration to all who are committed to the future stewardship of Temple Emanuel.
