**Saturday, September 17 | 9:00 p.m. |  
Temple Emanuel**

Selichot are Jewish poems and prayers of repentance, especially those said in the period leading up to the High Holy Days.

We will watch an excerpt from the film, "The Five People You Meet in Heaven," which explores the unexpected mysteries of the afterlife by reminding us what really matters here on Earth. This will be followed by a discussion and then our Selichot Service, when the Torah Covers are changed to white in preparation for the High Holidays.

We would like to send to the college students (and college-age kids who are no longer living at home) of our Temple families a New Year's gift box!

Please send an email to [info@tegreesboro.org](mailto:info@tegreesboro.org) with your college-age child's name and shipping address by **Wednesday, September 14** (no P.O. Boxes please) so we can make sure they receive it by Rosh Hashanah.

Temple Emanuel is offering babysitting for children ages 1-5 in the playroom. The cost is \$20 per child per service. Reservations are required.

### Sisterhood

### Book Club Schmooze

**Wednesday, September 28 | 1:00 PM | Temple Emanuel** All are invited to join us in person for the monthly Sisterhood Book Club Schmooze!

This month, we will discuss  
***"Woman on Fire"*** by Lisa Barr.

The plan is to meet outdoors in the Courtyard if the weather permits, otherwise the group will gather in the Social Hall.

L'shanah tovah, happy and healthy new year to you and your families, and to all our extended Temple Emanuel community.

Recently I've been thinking about the importance of connections. A few weeks ago, my son gave me his old Apple watch - and it took more time and effort than I expected to get it connected with my earpods and phone. We've all had this experience, trying to connect a new device to a network and other devices. It seems like it should be easy! But it does not always go as we would like. It gets very frustrating after a lot of tries, phone calls, adding and removing apps, walking away and coming back and even saying some words we may regret. Hopefully we keep trying until, finally, we get connected.

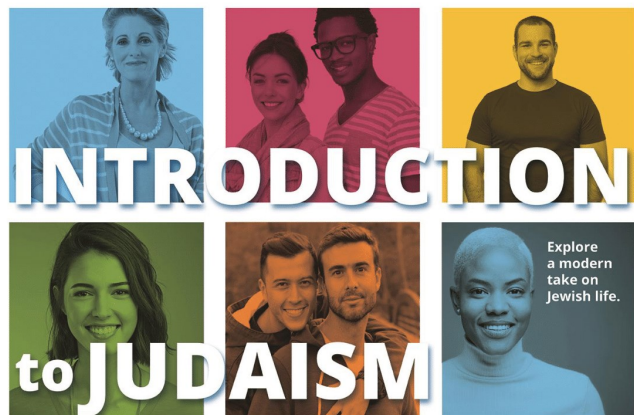

Temple life can be like that. You join, people reach out, you come to some services, and participate in events. But sometimes those connections falter or get broken. This can happen for so many reasons. Our kids leave ECEC and enter the public school system, they graduate and no longer attend Kesher (formerly TERS), or we become empty nesters. We all have other demands like work and caring for

family members, and we've been through the separation and strain caused by the pandemic. We may even have had a disagreement over an issue or felt our ideas were not valued.

I'm here to say please reconnect with Temple Emanuel! It's worth the effort. Come to Shabbat services in person or online. Come to a meeting or event. Join a committee or an adult education class. Dates and times are on the calendar in this bulletin. You could even fold the bulletins or cook and donate food for the Chesed committee. There are dozens of ways to connect. Let's work together to find your connection point. It could be a young adult group, empty nesters, Sisterhood, Brotherhood, Music, Torah study. Please reach out to me, call me, text me, email me or let's have a salad together (I'm trying to eat healthy). I am in the directory. Let us work together to solve our connectivity issues. The Temple network is unlocked, please try plugging in, the connection will be rewarding for you and your Temple.

 Jewish Life in Your Life

This introductory class, taught by Dr. Karen Dresser, is designed for those who are looking to learn or re-learn the basics of our tradition. The core elements of Jewish beliefs, practices, and ethics will be covered in this survey course.

***This course will be held in-person only from  
 7:00 - 8:30 PM on Wednesday evenings,  
 October 12 for 18 weeks.***

**The cost is \$75 per non-member;  
 \$35 for Temple members**

There is an additional charge for the book used in this course. Visit our website for the link to purchase the book.

The Jewish people have many time-honored tools for articulating our hopes and constructing blessings.

One of the more creative ways of doing this is to take the number of the Hebrew year minus the thousands place (783 for the coming Hebrew year) and then find other Hebrew words which have the same numerical value. Here are a few examples recently shared by a Rabbinic colleague:

#### **לזמן ששון**

(*liz'man sasson*) – “To a time of rejoicing.” In the wake of the challenges of the past months and even years, we look forward to a time when our calendars will be inundated with celebrations. May every day open opportunities to rejoice and be grateful for the good with which we, and the world around us, are blessed.

#### **הבא עלינו ברכה ושלום**

(*ha-ba aleinu b'racha v'shalom*) – “May blessing and peace come to all of us.” Let this be the year when war ends and all can experience peace. May this be true for us and our town, state, and country. May it be so for Ukraine and other places where battles rage, for Israel, and for all humanity. May our entire planet be blessed with healing. May we share our blessings in our families, in our communities, and globally.

#### **Community Milestones**

Two other numbers of significance should not be overlooked as 5783 begins.

The first is the number 115. Temple Emanuel began with a dozen families gathering together 115 years ago for the High Holidays of 1907. They could have only dreamed that one day their Temple, and Greensboro as a whole, would grow into what it is today. As we start this new year, we do so with nearly 600 families. For 115 years, our Temple and its leaders have played a key role locally and have also had an impact well beyond central North Carolina. We have an incredible history. As Jews, we hold to the belief that our best days are still ahead of us.

The second number that stands out is 20. It has now been 20 years since Temple Emanuel dedicated our Jefferson Road campus.

Construction was completed in 2002 in time for the celebration of the High Holidays making this Rosh Hashanah a true milestone in our Temple's recent history.

I, for one, will never forget interviewing for Temple in the spring of 2003. It was impressive to see a community

that had a newly-constructed home as well as a historical campus located near the heart of downtown. Yet, many of the places I spoke with had nice buildings. What truly stood out for me, what convinced me that Greensboro was for us as a family, were the people that called our Temple “home.” That continues to be the case even until this very day.

Thank you to everyone who makes our Temple so special. On behalf of Michal and our kids, I wish you and yours a Happy 20<sup>th</sup>, a Joyous 115<sup>th</sup>, and a 5783 filled with blessing and meaning.

**‘LIFE MOVES PRETTY FAST. IF YOU DON’T STOP AND LOOK AROUND ONCE IN A WHILE, YOU COULD MISS IT.’**

Ferris Bueller’s Day Off is one of my favorite movies. A young Matthew Broderick, gallivanting around Chicago, evading adults left and right – what could be bad about that? And while the movie is full of fun, it also features the above quote, which has always been meaningful to me. Life really does move very fast, and that seems extra true during the summer. I can’t believe summer is ending already! There are so many things we do to wrap up the summer and approach the new year. We do all the lingering laundry left over from vacations and summer camp. We go out and buy new school or office supplies. Some of us are getting excited about sweater weather (although now, in my second year in Greensboro, I know that’s a long way off).

Of course, my summer wrap-up includes preparing for the new year of Keshet! We had wonderful trainings for our *madrachim* and teachers, we’re designing new bulletin boards, and we’re getting excited for our **Keshet Opening Day**, which will be **Sunday, September 11<sup>th</sup>, 9:30am-12:00pm!** Like last year, parents/guardians are invited to join us as we get to know our teachers, see our classrooms, plant our Keshet tree for the year, and enjoy some delicious lunch from the Temple Brotherhood. Tuesday Keshet for 4<sup>th</sup>-6<sup>th</sup> grades will begin **Tuesday, September 13<sup>th</sup>, 5:00 p.m.-6:30 p.m.**

**If you have not yet registered for Keshet, there is still time!** As a reminder, this is our new youth education program, formerly known as “Temple Emanuel Religious School.” Please fill out the

registration forms which are available at our website (at the bottom of the Keshet page) and are sent out in our Keshet emails. If you’re not receiving emails or you need any help, please call the office!

The High Holidays are also coming up, beginning at the end of September. On **Monday, September 26<sup>th</sup> at 10:00 a.m.**, we will have Rosh Hashanah Educational programming for K-3<sup>rd</sup> grade, and there will be a Rosh Hashanah Family Service at **3:00 p.m.** On **Wednesday, October 5<sup>th</sup> at 10:00 a.m.**, we will have Yom Kippur Educational programming for K-3<sup>rd</sup> grade, and there will be a Yom Kippur Family Service at **3:00 p.m.**

I’m looking forward to seeing everyone after this extremely speedy summer. Wishing all a *Shana Tovah u’Metukah* – a good and sweet new year!

Rabbi & Director of Education

**Kendra and Brian Ross** invite the congregation to join them for Shabbat morning services on **Saturday, September 10, at 10:30 a.m.**, when their son, **Isaac Aiden Ross**, will be called to the Torah as a Bar Mitzvah. The service will also be livestreamed on the Temple Facebook page for those who prefer to attend virtually.

Isaac is an 8th grade student at B’nai Shalom Day School. He is the brother of Keira and Liam and the grandson of Allan and Ellen Ross, of Greensboro, and Ken and Mary (of blessed memory) Hunt. Isaac has a variety of hobbies, but his two favorites are baking and playing basketball with his friends.

### SHALOM CHAVERIM!

The beginning of the school year signals the beginning of many things: meeting new friends and families, observing children becoming friends, setting rules and expectations, implementing new ideas and activities—the list goes on. It's fitting, then, that Rosh Hashanah occurs during the month of September. Rosh Hashanah literally translates to "Head of the Year." Rosh Hashanah is a time when we reflect on our feelings and actions and consider how they we may enter the new year with the best of intentions.

Like most holidays, Rosh Hashanah is associated with certain symbols, all of which can be used to inspire extended activities within our classrooms. Symbols of Rosh Hashanah include apples, honey, challah, pomegranates, and the shofar. Apples and honey are eaten as a way of welcoming a "sweet year". Challah is baked as a round loaf during Rosh Hashanah to symbolize the circle of time and may also be dipped in honey.

Pomegranate seeds represent abundance, or at least the wish for it, and the shofar is sounded as a call for us to "wake up".

Here are some ways we will introduce some welcome back to school activities, intertwined with High Holidays activities in our classrooms.

And don't forget that you can try all of these wonderful activities at home as well.

1. Review classroom rules and expectations. Ask the children to list ways they can meet these expectations. Write down what they say and post the list in your room. Explain that remembering the rules will help everyone kick off the new year with a good start.

2. Bake challah. Invite the children to help prepare the ingredients. Talk with the children about why the challah is round, discuss other

3. Sample apples, pomegranates, or any fruit of interest to the children. Bring in a variety of apples for the children to try. First discuss how they are visually similar and different. Have the children make predictions about how each apple will taste. Make a graph and vote on their favorites afterward. How many of your children have tried pomegranates? Isn't it strange that we eat the seeds instead of the flesh? Cutting and eating a pomegranate is an experience in and of itself for small children. Invite the children to make guesses about how many seeds are inside a single pomegranate. Write down what they say and count the seeds together. Cut open and display a pomegranate and encourage the children to draw what they see. Talk about and display their observations.

4. Dip challah and fruit in honey. Talk about bees and other pollinators. Just like apples, honey comes in many varieties. Why are there so many types of honey? Is it because of the types of plants the bees pollinated or where the plants and bees are located? Is honey always the same color? Bring in samples of a few types of honey. Talk with children about what they see. Let them sample some and ask them how each variety tastes. Talk about the parts of bee and the bee life cycle. Introduce other pollinators like butterflies, moths, and flies. Diagram the parts of a flower. Invite a beekeeper to the school.

5. Make shofars. Print and share pictures of shofars with the children. Talk about its significance as an instrument of welcoming and celebration. Practice playing the shofars loudly and quietly and fast and slow.

May your year be as sweet as the laughter of children.

Wishing all a L'Shana Tova!

*Cassie Silverman*

**PLEASE DON'T FORGET TO ORDER YOUR ROSH HASHANAH ROUND CHALLAH. ALL PROCEEDS BENEFIT THE ECEC THANK YOU!**

As summer continues and everyone enjoys relaxing and going on vacation the TE Brotherhood begins to look ahead as to the up-and-coming events and High Holy days in September and October. Our first Brotherhood call out will be on Sunday, September 11<sup>th</sup>, which is the first day of Keshet (Sunday School) and in what has become a tradition, the Brotherhood will be serving its famous "hot dog meal" for the kids.

Brotherhood will then be asked to help with setup (book swap, moving of the walls, setting up extra chairs, parking duty and ushering) for Rosh Hashanah which falls this year on Sept 25<sup>th</sup>-27<sup>th</sup>. This will be followed by Yom Kippur which falls on October 4<sup>th</sup>-5<sup>th</sup>.

Then comes our annual set up of the Succah which we will be doing on Sunday October 9<sup>th</sup> at 9am.

We are still planning to have a Brotherhood kick-off get together event outdoors at the home of Temple's Brotherhood Vice President, Itsik Maaravi in early September. The date is still being worked out.

I have been in constant contact with Urban Ministry and there is still not a planned date when they will be serving in person meals and I will share any new information with our members as I receive it.

On behalf of the TE Brotherhood, we wish everyone L'Shana Tova Tikatevu, a Happy and Healthy New Year.

Stay safe and well,

*Bill Moran*

Brotherhood President

Dear Immigration Sub-Committee members and Welcome Team,

Thank you for your hard work and support. The apartment move-in went extremely well in our opinion. CWS was very pleased with our work. There were a few challenges that were outside of our control such as incomplete bed frames delivered by Barnabas, but CWS helped sort that out with a generous donation from Jamie and Luke Shapiro. Paul and Heather Benson also made a last-minute run to pick up fans and other supplies for the family since the apartment had limited AC. We are so grateful for all the items that were donated by the TE community and Welcome Team members during the collection and while we were setting up the apartment. You inspire us to keep this project going for as long as possible.

Also, thanks to JFS for continuing to partner with us on this effort and to the RAC for supporting us through the Kraus Mini-Grant.

As a result of your generous support, we were able to fill the apartment with everything needed and \$200 in Food Lion gift cards for the family. We also left a note from the Temple Emanuel community in an envelope at their home. We used some of the remaining gift cards to purchase additional items for the family that we could not collect and we are saving a few gift cards for the next family as well.

If anyone would like to attend Immigration Sub-Committee meetings, please feel free to contact us so we can share the Zoom information with you. We will be in touch when we are preparing to set up the next apartment for a family in need. Thanks again!!

## “ONE MORE SERVING”

This is such an easy mitzvah to perform. When cooking a holiday or Shabbat meal or cooking for a large gathering, just prepare another serving that can be frozen and added to the Chesed freezer. Please freeze your items in a microwave safe or oven safe container. Please have enough for two people max. We are not asking for large amounts, as we want it to be easily defrosted and eaten as a lunch or dinner for 2. Please have the ingredients listed on the package. We do ask for kosher style meals. That means No pork or shellfish items please. We do love if there can be a starch, a protein and a vegetable in the frozen package. You then take the package to Temple-alert Brenda and she will add this to our freezer.

We are always looking for new members in any age group! We always need drivers to deliver our yummy frozen or fresh food items! There are no time requirements or long commitments! Please feel free to reach out to myself, Renee Miller at (336)253-0088 or [ireneelmiller@gmail.com](mailto:ireneelmiller@gmail.com) or Brenda Henley in the Temple office.

## MICHAEL WINOGRAD & THE HONORABLE MENTSCHN

**SUNDAY, SEPTEMBER 11 | NC FOLK FEST- DOWNTOWN GSO**

Klezmer is the traditional celebratory music of the Eastern European Jewish diaspora. With roots that pre-date the Middle Ages, Klezmer incorporates cantorial melody, ancient folk tunes, Yiddish poetry, Hebraic ritual, and Greek and Ottoman influences. The all-star lineup of Michael Winograd & the Honorable Mentshn is leading a revival of Klezmer into the 21st century. The band—whose name plays on the plural form of the Yiddish approbation “mentsh,” meaning a person of integrity, is the brainchild of Brooklyn clarinet virtuoso and band leader, Michael Winograd. For more information, please visit [www.ncfolklfestival.com/](http://www.ncfolklfestival.com/)

## **MISSION STATEMENT**

Temple Emanuel strives to be a place of Keruv, of closeness to God and Jewish culture. Temple Emanuel's mission is to bring its congregants closer to: Tikkun Olam - The commitment to repair God's world through the pursuit of justice; Tikkun Nefesh - Personal and spiritual growth as a Jew and as a human being; Talmud Torah - Life-long study of Torah and of Jewish history and tradition; Am Yisrael - The Jewish people, in Greensboro, the United States, Israel, and worldwide; Eretz Yisrael - The land, people, and the state of Israel; Mishpacha - A sense of extended family through a warm and supportive atmosphere and Reform Judaism - Its principles and values.

## **DIVERSITY AND INCLUSIVITY STATEMENT**

Temple Emanuel is committed to inclusivity: Hachnasat Orchim (Hospitality) means welcoming people of different cultural backgrounds, races, nationalities, sexual orientations, genders, gender identities, gender expressions, physical and mental abilities, and ages. We recognize Jewish identity from both matrilineal and patrilineal descent. Our Rabbis are open to officiating at Jewish ceremonies for interfaith marriages. Appreciating the critical role played by non-Jewish parents in the upbringing of Jewish children, we encourage full participation in congregational and religious life by interfaith families.
